

CALLING ALL EARLY LEARNING PROVIDERS SERVING CHILDREN BIRTH TO AGE FIVE

(Licensed Centers and Family Child Care Homes)

Imagine if...

You joined a statewide effort to increase the number of children enrolled in high-quality early learning programs.

Your staff received quality training and professional development that helped prepare young children for success in school and life.

You used a validated rating system to show families and your community the great work your program is doing.

You had a specialized coach helping you take your classrooms from good to great.

You qualified to receive classroom materials and monetary incentives to enhance your early learning program.

Now, imagine if all these benefits are available at
NO COST to your program.
